

# In the Court of Appeals of the State of Alaska

**Angelo Joseph,**

Appellant,

v.

**State of Alaska,**

Appellee.

Court of Appeals Nos. **A-13957 &  
A-13958**

## **Order**

Notice of Mootness

Date of Order: **June 10, 2022**

Trial Court Case No. **3AN-18-09153CI & 3AN-21-06712CI**

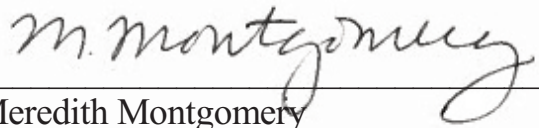

On June 6, 2022, the superior court issued its “Order Vacating Dismissal of 2018 PCR Application.” In it, the court vacated its previous order dismissing Joseph’s 2018 post-conviction relief application and appointed counsel under Administrative Rule 12(e) to file an amended post-conviction relief application. This ruling restores Joseph to the position of litigating his 2018 post-conviction relief application anew, and renders Joseph’s subsequent 2021 post-conviction relief application moot. This posture also renders the lodged appeals from each of these post-conviction relief applications moot. Because both appeals are now moot, this Court intends to close them.

IT IS ORDERED: If any party objects to the closure of appeals A-13957 and A-13958, they should file a response to this order on or before **June 20, 2022**. A response will be treated as a motion and considered by the full court. In the absence of any responses, the Clerk of the Appellate Courts is directed to issue a notice of closure in both appeals.

Entered at the direction of Chief Judge Allard.
